

The logo features a stylized 'W' formed by a thick black line that starts as a horizontal line on the left, dips down to a point, rises to a higher horizontal line, and then continues as a horizontal line to the right. The word 'Woodshed' is written in a clean, sans-serif font, with the 'W' of the word overlapping the lower part of the 'W' graphic. Below 'Woodshed', the word 'recording' is written in a smaller, lowercase, sans-serif font.
